CLASS POEM

We, the Seniors of Cooleemee High
Will strive toward a higher goal,
As we have in the years gone by
Met our troubles with courage bold.

As we leave the walls of our dear school
To enter our future lives,
We'll use the knowledge learned as a tool
To help us onward strive.

We are on our way to happiness and fame
As we face the future with this address,
We'll work through time of grief and pain
Because the sky is the limit of success.

SENIOR CLASS HISTORY

In the year 1946, approximately fifty-two eager boys and girls embarked on a four-year tour of Cooleemee High School. During this time we made four stops of nine months each.

Our first stop was made in the Freshman Class. Miss Purcell was homeroom advisor for the girls and Mrs. Bost had the boys to cope with. We elected our class officers which were as follows: President, Wanda Wilson; Vice-President, Helen Beck; and Mary Ann Call, Secretary and Treasurer. After adjusting ourselves to our new surroundings, some of us joined the Glee Club. We were happy when Sonny Foster, Bud McClamrock, David Page, Louie Beck made the baseball team and David Page and Sonny Foster made the basketball team. As the year was drawing to a close, we felt we had accomplished much in our first year of high school. Leaving room for the on-coming freshmen, we progressed to our next stop.

Our stay in the Sophomore Class was delightful. Mrs. Waynick and Mr. Sinclair were our homeroom teachers. We elected officers with the thought that they might give us a little advice when and if we needed it. They were as follows: Tommy Smith, President; Joe Cuthrell, Vice-President; Wanda Wilson, Reporter; and Bill Franklin, Secretary and Treasurer. They proved very dependable. During this year we presented two one-act comedies, "Eh" and "The Shock of His Life," under the direction of Mrs. Waynick, which we thought were very successful. Again a number of us joined the Glee Club, and Jean Wagner made the basketball team and Peggy Wyrick was a cheerleader. Since this was the first year of football imagine our pride when Sonny Foster, Tommy Smith (who were the stars), Bud McClamrock, David Page, and Louie Beck made the football team.

Our Junior year proved to be very enjoyable, except for the studies. Miss MacMahan was our homeroom advisor. The class officers were elected as follows: President, Bobby Edwards; Vice-President, Betty Shockley; Secretary, Peggy Wyrick; and Treasurer, David Page. Realizing we would have to find some means for financial support, we presented a three-act play, "Aunt Samanthy Rules the Roost."

The biggest event of that year was our Junior-Senior Banquet which was held in the Robert E. Lee Hotel in Winston-Salem, North Carolina. The theme of the banquet, Rhapsody in Blue, was carried out all through the program. During this year Sonny Foster, Bud McClamrock, Marshall Clawson, Jackie Tutterow, David Page, Howard Leonard, and Louie Beck made the football team. Jean Wagner and Doris Veach made the basketball team.

We felt very proud of ourselves after our participation in the Commencement Exercises with five Juniors acting as Marshals and the remaining acting as ushers to the Seniors. We were then looking forward to our Senior year.

Our last stop was in the Senior Class. Mrs. Hicks was our homeroom advisor and our class had dwindled down to thirty. Our class officers for this year were: DeFoie Shoaf, President; Marshal Clawson, Vice-President; Wanda Wilson, Secretary; David Page, Treasurer; and Howard Leonard, Reporter. As usual we were represented in sports when Sonny Foster, Bud McClamrock, David Page, Marshall Clawson, Louie Beck, Jackie Tutterow, DeFoie Shoaf, and Howard Leonard made the football team.

Under the direction of Mrs. Hicks we carried out many activities, such as, presenting our class play, "A Ready Made Family."

We are looking forward to the annual Junior-Senior Banquet to be given in honor of us, the Seniors of '50, our trip to Washington, D. C., and the greatest event of all, our Commencement Exercises. After waiting twelve years, we have reached our destination, Graduation! Most of us have a touch of sadness in our hearts, because we have probably spent the most enjoyable years of our lives here inside the walls of dear Cooleemee High School. With much to look forward to in the future, and with the hope that we will use the knowledge and training that we acquired for the making of a greater world, we leave our school days behind.

LAST WILL and TESTAMENT

We, the Seniors of 1950, being of superior intelligence, strong bodies, and unmarred conscience, and about to expire, with a large number of us being occasionally sane and in our right minds, do, in this, one of our moments of sanity, will and bequeath to the underclassmen of Cooleemee High School certain traits and reputations never before acquired in the said institution until this year. Realizing that our achievements have been outstanding and above reproach, we ascertain here and now that, though preceding classes may never acknowledge success as our class has acknowledged it, that they accept the characteristics so generously and sacrificially bestowed upon them, and strive to attain the heights so notably acquired by this departing class. In one final gesture of faith and generosity we hereby leave our Last Will and Testament.

ITEM I

To our parents, for affectionate care and faithful trust, we leave our eternal love and gratitude, with the hope that our lives may be as successful as their fondest dreams could have them be.

To Mr. Priin we leave the wish that he will have another group that will see to it that he never has another dull moment.

To the faculty we leave a sigh of relief, to be given by them at our departure.

To the Juniors we leave our beloved textbooks, though slightly damaged but not from use, that by much use of them, they may acquire a small part of the knowledge that they think they now have.

To the Sophomores we leave our ability to decide and settle problems. You sure will need it in the next two years.

To the Freshmen we leave our ability to win the teachers over and see our point of view.

To the oncoming Freshmen we leave our ability to study hard and become dignified Seniors. You will have to work too.

To the dear High School Building we leave all our trademarks on the desks and walls, wishing there had not been quite so many.

ITEM II

We now dispose of our personal properties.

I, Talmadge Cheek, will my ability to "pester" the weaker sex to Clifford Beck.

I, Clay Cook, will my ability to slip out of study hall to Norma Ruth White.

I, Robert Munday, will to Sammy Cope my ability to sing tenor in Glee Club. Hope he enjoys it as much as I did.

I, DeFoie Shoaf, will my ability to pitch "Woo" to Milo Goodman.

I, Edwin Nollcy, will my ability to get along well with others to everyone who needs it, especially Donnie Seaders and Carlyle Young.

I, Kenneth Bailey, will to Dwight Campbell my ability to be late for class. I hope he doesn't use it as much as I did.

I, David Swain, will my ability to be a big pest in class to Jimmy Carter. I hope he has as much fun as I did.

I, Pug Wyrick, will my ability to get in and out of "jams" to Joan Spillman and Betty Sue Wofford, although I think they have plenty.

Now as our time draws near that we will cease to be received from Cooleemee. During our short stay, we have friendship, and the way to get along with our fellowman, face life and all it has to offer with confidence and vigor. Class of '50, being of keen mind, strong bodies, and sound judgment, declare this our Last Will and Testament, this, the twenty-second day of May, in the year of our Lord, one thousand, nine hundred, and fifty.

I, Betsy Owens, will to Eunice Daniels my giggles. I hope you don't get into any trouble.

I, Jack Tutterow, will my ability to play guard to Bob Eudy. I hope he can play it better than I.

I, Marshall Clawson, will to Bob Thompson my ability to date every night and still get to school on time.

I, Nancy Bowers, bequeath to Freddie Shoaf my ability not to miss a day from school for twelve years.

I, Wanda Wilson, will to Nancy Ann Veach my ability to stay out of trouble and keep my big mouth shut. Wise up, Nancy!!

I, Don Taylor, will to Richard Barber my ability to get out of English.

I, Maxine Link, will my ability to love the Salisbury boys to Burlie Creason.

I, Pauline Hepler, will to Sarah Milholen my bashfulness. Hope she isn't as shy as I am.

I, Sonny Foster, will to Bully Spry my ability to back up the line in football and I hope he doesn't get hurt as much as I did.

I, Howard Leonard, will to Jimmy (Bob) Miller my ability to read funnybooks in Mrs. Bost's study hall.

I, Betty Shockley, will to Peggy Grubb my ability to say "no" to Hayden B.

I, Roy McCannan will to Craig Snead my ability to read a book without glasses.

I, Frank Everhart, will my quietness to Berlie Nail, and my bashfulness to Betty Jean Eller.

I, Jean Wagner, will to my sister Sue my glasses, so that she might see in holes better.

I, Bobby Edwards, will my ability to attend school regularly to Derny Creason. How about putting forth a little effort, Denny.

I, David Page, hereby will my ability to play end to Donnie Foster, and my ability to play basketball to Freddie Shoaf.

I, Dot Hodgin, will to Norma Ruth White my cheerleading outfit and hope she can use it.

I, Peggy Jean Campbell, will my ability to get along well with others to Betty S. Nichols and Gilda Messick.

I, Bud McClamrock, will to Bill Spry my favorite rocking chair in the principal's office and hope he doesn't use it any more than I did.

I, Louie Beck, will to Bill Howell my ability to kick extra points and hope he can be as lucky as me.

I, Doris Veach, will to Rilla Hilliard my ability to attend classes regularly.

Cooleemee students, we begin thinking of the things we learned of character, discipline, humor, spirit, undying. We have matured into young men and women ready to Therefore, as our time of departure draws near we, the judgment, declare this our Last Will and Testament, this, the twenty-second day of May, in the year of our Lord, one thousand, nine hundred, and fifty.

PROPHECY

Sitting in my apartment at the end of a busy day at the office, I began wondering what my dear classmates had succeeded in doing. Having plenty of time and not being on a party line, I decided to phone Bobby Edwards, a secretary in a very prominent law firm in a neighboring city, to see if he knew about any of them.

You can imagine my surprise when he told me that Jean Wagner is a very skillful doctor at Johns Hopkins, and that Roy McClannon, her fiance, is operating a successful pharmacy nearby.

I wasn't shocked at all when he told me that Sid Carter, after completing a course at Davidson, has returned to Cooleemee High School and is teaching French.

He informed me that Peggy Campbell married Bob and is now living in Woodleaf. He said that Maxine Link is still trying to decide which one of the Needmore or Ellis Cross Road boys she wants.

This was hardly a surprise either. Bud McClamrock and David Swain have gone to Hollywood to take Abbot and Costella's place. Clay Cook and Betty Shockley are also in Hollywood and Betty has received an Oscar for her many great performances.

Since I had talked for an hour, I bid Bobby adieu, and proceeded to write Betsy Owens, a well known gossip and society writer, a letter. Upon receipt of her letter I found out about some more of the Class of '50.

David Page, who had married during his Senior year, had taken over Charlie Bahson's position as banker and Talmadge Cheek is keeping books for him.

Dot Hodgin had, as everyone expected, married Grady, Jr., and is living happily in California, so as to be near Betty.

Wanda Wilson, a famed popular song artist, and Doris Veach, a talented young pianist, are touring the United States together.

Peggy Wyrick, after completing a course in Physical Education, has returned to Cooleemee High School and is coaching the State Champion girls' team of Cooleemee Hi.

Marshall Clawson is still trying to get Peggy Ann to say yes. Louie Beck, even tho' he doesn't stand a chance, is trying to persuade Becky to set the date. DeFoie Shoaf, since he can find no one to have him, has decided to become a bachelor.

Robert Munday is singing in the Stork Club.

Pauline Hepler is known for her knowledge and great understanding of the Bible.

At U. N. C. the fans have changed their cry from "All the Way Choo Choo" to "All the Way Bo Bo." Howard Leonard is filling Art Weiner's place and is doing an excellent job.

Jack Tutterow is running a sporting goods store and Bobby Kay is his faithful and trustworthy clerk.

Edwin Nolley, having won many 4-H awards, is now county agent of Davie County.

Kenneth Bailey and Donald Taylor, having started at the bottom, are now chief executives of the Erwin Cotton Mills. Frank Everhart is superintendent of Plant 3 in Cooleemee.

Thus you have the prophecy of the Class of '50. This, as you see, is looking far into the future.
